News of the Bio-PAT Network

Network Bio-PAT receives positive grand decision

The network is funded in the frame of the programme „Improvement of the regional economical structure“ (GRW) by Germany and Berlin

The network [Bio-PAT e.V.](#) finally received a positive grand decision by the Berlin Senat in September for the 3rd funding round of 3 years (01.07.2025 - 30.06.2028). We are very grateful. This allows us to organize future activities and events for the network members.

Bio-PAT Forum: Partnering Event Bio-PAT online: 25.-26.11.2025

Save the date for the [Bio-PAT e.V.](#) Forum - a Partnering Event in the field of bioprocessing and process analytics. The event will be conducted online on November 25-26, 2025. The Forum provides room for presentations, exchange and 1:1 matchmaking. Also non-members can apply for a short pitch (info@bio-pat.org). In 2024, about 100 participants from 17 countries joined (see [report](#)). More information will follow soon.

More Infomation

Colloquium Process Analytics 2025 (by AK PAT and DECHEMA) in Frankfurt: 03.-05.12.2025

The 20th AK PAT Colloquium focuses on transformation and artificial intelligence. How is PAT transforming the future, and how is the future transforming PAT? How is PAT supporting and guiding the green transformation? What impact does AI have on PAT? How is biotechnology experiencing PAT? These questions will be addressed at the colloquium, which is organized by [Arbeitskreis Prozessanalytik](#) and [DECHEMA](#).
